

In Transit Covid 19 Cleaning and Prevention of Spread

STOP. Should you find yourself not feeling well or believe you may have a fever, do not enter the vehicle.

All guests and employees of Casks and Kegs Tours Inc. must wear a face covering at any time when in the presence of others inside the vehicle. We ask that any person who cannot wear a face covering for any reason, refrain from joining in a tour.

Casks and Kegs Tours will have completed the necessary cleaning and sanitizing of the vehicle prior to the initial boarding of guests for that days tour. A sample checklist will be provided for any individual for review. In the event that the tour is a multi-day tour, hosting the same group, in transit cleaning will be used to maintain the cleanliness and sanitation of the vehicle. **All cleaning and disinfecting products approved by the CDC.**

Casks and Kegs Tours Inc. will provide hand sanitizer for the use of our guests. Our guests are encouraged to use the hand sanitizer as provided under guidance of the CDC.

In transit cleaning and sanitation. A Casks and Kegs Tours Inc. employee will conduct the following items to limit the exposure of guests to the Covid 19 virus. Personal touch areas included and not limited to, door handles interior and exterior, grab poles, seat belts, window hasps, door locks, armrests, and dashboard devices and area will be wiped with disinfectant agents during a time while our guests are visiting a destination.

Cargo area. All items to be placed in the cargo area will be completed by an employee of Casks and Kegs Tours Inc.. These items include and are not limited to personal belongings, baggage and purchases.

All employees of Casks and Kegs Tours Inc. will be required to follow guidelines set forth by the CDC for the disinfecting of hands by proper hand washing or use of hand sanitizer to minimize the spread of Covid 19 to our guests.

If at any time our guests have any questions or concerns, they should address those questions with a Casks and Kegs Tours Inc. employee or call the office at 518 339-8190 or 518 603-0549.

Thank You.
